The sun shining through the leaves, a reflection on the water, deep thoughts, cherished moments, the mystery of time and emotion, combine to create a special feeling in this year's annual. A feeling that will remain timeless to all of us and especially to the seniors as they graduate from Foothill, leaving a very special part of themselves behind.

Faculty

William R. Frick, Principal 1968 — 1977.

He was our Principal and friend at Foothill High School from 1968 to his death on November 30, 1977. A native of California, Mr. Frick attended Montebello schools, Fullerton and Whittier Colleges and the University of California.

Service in the United States Navy during World War Two interrupted his education. He saw action in major naval engagements in the Pacific theater, and was awarded a purple heart with special combat citation after being rescued from the Phillipine Sea following the sinking of his aircraft carrier, the Princeton.

Mr. Frick's career as a teacher and administrator spanned a period of over twenty-five years. Before coming to Foothill High in 1968, he served as principal of Needles High School as a Director of Educational Services for the Needles School District.

A familiar figure on the sidelines at football games, Mr. Frick joke that he never was able to give up his own experiences on the Montebello football team.

His contribution to Foothill High, however, extended far beyond an ardent support of athletics and school spirit. He believed that students were mature enough to define their own educational goals and could be trusted to work to attain them. Foothill High's unique "college registration" system was implemented with his couragement in order to give students a more direct means of making career decisions, and the school's academic and vocational curriculum was greatly expanded to provide students with a wider range of educational options.

Most of all, Mr. Frick was known for his "open door" policy. Any student with a problem had the assurance that his point of view would receive a patient and fair hearing.

A memorial to Mr. Frick stands at the entrance of the school. It has been said, however, that a man's only enduring memorial is inscribed in the hearts of those who remember him with genuine love and respect. These words reflect our fond memory of this man who deeply cared about us.

He is remembered with pride.
He was proud of Foothill.
He was proud of his students.

We are proud of him — Principal, 1968-1977.

Good morning, students.

Our fearful leader

That's a very good idea,

A.S.B. Cabinet

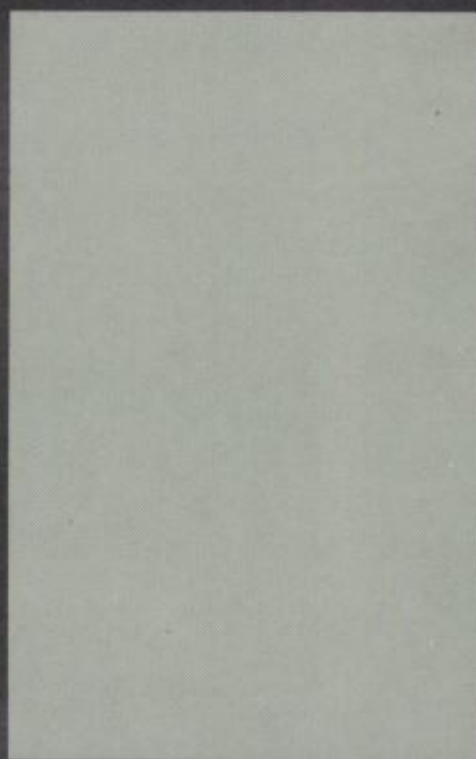

The 1977-78 A.S.B. Cabinet presented Foothill students with many changes. this year. For example, Feast and Joust was changed to Spirit Day, the name of the A.S.B. room was changed to the Student Activity Center and the selection process for Homecoming Queen and King was altered. They also helped promote school spirit by encouraging black and gold days. They have sponsored several dances and student activities. The President was Vince Bartick and the Vice-President was Sandy Hamilton.

Junko is bored, as usual

So the band can't make it.

Personally, I hate making posters.

Dances

Hi! Wanna dance?

After game dances are always fun, especially after a winning game. This year the different bands offered music that appealed to everyone. The dances were sponsored by the Sophomore class, the Pep Squad, and the A.S.B. Cabinet. On Sept. 16 the band featured "Archangel" and on Spirit Day, the band was "Pegasus."

Help me, my darling!

The Senior Munches of 1977-1978 were an **exciting experience** for all who participated. The Santa Ana Elks club and the Anaheim Bowl were among the locations chosen by the senior council this year. Entertainment included a talented hypnotist and a live band seniors could dance to.

Brrrrrrrrrr, it sure is cold in here!!!

Our athletes have an undying spirit which flows into all other students. I sincerely feel everyone at Foothill has a unifying bond with one another — especially the **1977-1978 PEP SQUAD**. But we are all one, and we couldn't achieve without **YOU**, the student body. Every student here at Foothill has a chance to meet and know many people. I feel I'm lucky, and have a memorable four years, but most of all I have met many people I will always remember. I would like to thank along with the rest of the group, our special friend, Mr. Severson, our advisor. We could never have made it without **HIM**.

Knight Life Staff

The **Knight Life Staff** provided Foothill students with a newspaper that not only dealt with student activities, but also with local legislation that will effect the students' future education. The informative attitude of the paper gave students knowledge of upcoming events in an enjoyable fashion. The Editor-in-Chief of the paper, Pam Fox, had an excellent staff including Jenny Fox, Sports Editor; Jim Kern, Editorial Editor; and Sandy Stradling, Feature Editor. Because of the long, hard effort of the dedicated staff the paper was very worthwhile.

Spirit Day

Yummm, not bad!

Hey, wanna join our harem?

This year there was a change in the annual "Feast and Joust." Instead of being at the end of Homecoming Week, it was placed two weeks ahead of time due to a conflicting holiday. "Spirit Day," the new name given for the event, was a great success though. Slaves were seen taking their masters to their classes and later provided huge meals for them. **The seniors dominated** all competitive events winning the tug-o-wars, chariot race, and spirit yell. The juniors came in second, and the sophomores and freshmen tied for third. The pie auctions and club concessions were also a part of "Spirit Day." The 1977 "Spirit Day" proved to be a happy and memorable day for many.

I am Irem Ozyurek (the Turk); I am sixteen years old and I came all the way from Turkey, Istanbul to spend a year here with the Curnutt family. I am here because I love chances meeting new people and going to new places. AFS not only gave me this chance but I also got the opportunity to learn about the ways of living, emotions, actions of the people of a totally different culture, as I teach them something about my own. People are happy when they have a family and friends with whom they would share their feelings and love no matter where they are in the world. That's why I am happy here. I love Foothill High school and I never feel like a foreigner here. I will never forget the days I've spent here in California. I will always treasure my memories and experiences. I love you all and I'll miss you all so please come visit me in my beautiful country when I go back.

I think my school year here has been very great. It has given me alot of excitement all the time and I have collected many nice memories both from Foothill and from other parts of the country. I'm really grateful for the opportunity I have had to learn to know many nice students and teachers here at Foothill. After this year, I want to thank all my friends here for a wonderful year and for everything they have done for me.

Ronny Elousson, Sweden

My name is Johanes Benjamin and I like this school and the students are very friendly and nice. The teachers here are very helpful and friendly too. Foothill is more modern and larger than my old school. The school system in Indonesia is a little different than here. For example, in my school the teachers go to the student's class. I like studying in the U.S.A.

My name's Wendelinus Benjamin, I came from Indonesia. I like to study at Foothill because the students are friendly and also the teachers are kind and friendly too. Before I moved to America to study at FHS, I studied at "SMA VI" (Sixth Senior High School) in Takarta, Indonesia. My school in Indonesia begins at 7:15 and finishes at 12:50 PM. The students in Indonesia go to school from Monday until Saturday with Sunday off.

Mr. Doyle sings.

The **15th Annual Broadway Review** took place on March 16 and 17. There were five choirs participating in the Review. Freshman Chorus and Advanced Girl's Glee performed two numbers as did Mixed Chorus. Concert Choir and Madrigals performed three. Solo performers included Junko Nishiguchi singing "Summertime" and Dave Burns singing "They Call the wind Maria". Lisa Gunderson and Sue Marshall performed a duet from Godspell entitled "By My Side". Mr. Doyle, the choir director, said that **this year's Broadway Review was the best organized**. Due to the dedication and hard work of choral members, the 15th Annual Broadway Review was once again an enjoyable and successful show.

The activities included getting hitched by Marryin' Sam and square dancing to the lively tunes of Turkey Run. Refreshments were offered for the weary dancers and the decorations made for a very "Hill Billy-ish" atmosphere. All in all everyone seemed to be having a great time.

Athletics

If you think you are beaten, you are
If you think you dare not, you don't
If you like to win, but think you can't
It's almost a cinch you won't.

If you think you'll lose, you're lost;
For out in the world we find
Success begins with a fellow's will;
It's all in the state of mind.

If you think you are outclassed, you are;
You've got to think high to rise
You've got to be sure of yourself
Before you can win a prize.

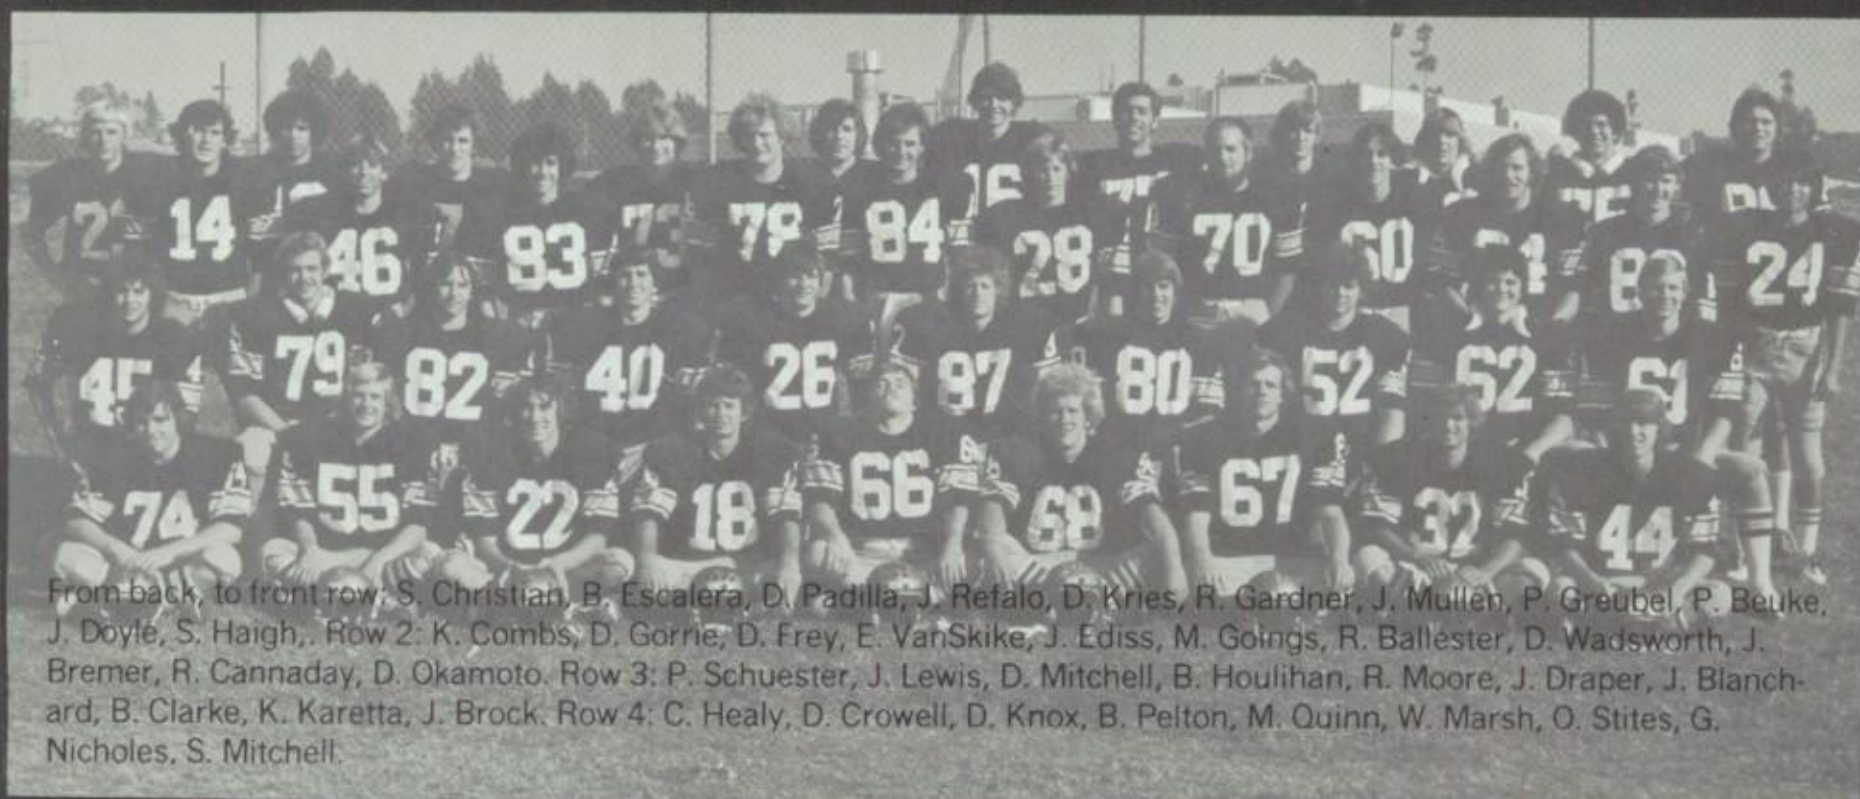

Life's battles don't always go
To the stronger or faster man;
But sooner or later the man who wins
Is the man who thinks he can.

The **J.V. team** got off to a slow start losing four out of their first five games. After reorganizing, the team rolled over its last three opponents outscoring them sixty-nine to twenty. The season came to a climax in the Villa Park game as the Foothill squad came from behind to put down the good Spartan team. Coach Galeener labeled this as the J.V.'s best season ever.

Soph Football

This years' **Soph Football team** was **excellent**. They concentrated on team work and were tough competition for their opponents, while being very fair at the same time. To prove what a good team they were, the Soph's came in 2nd in overall league standings with a fantastic season of 6-1. Defense was exceptionally good not letting many passes go by and made some great tackles. Offense was very strong and made several touch downs. Together they made other teams aware that next year Foothill will return with a team that can't be beat!

Frosh Football

For their first year in high school football, the **Freshman performed fantastically**. They were league champs, with a season of 8-1. With the help and skill of Coach Osborne, the team made football look easy. Both the Offense and Defense played their part and were great. The outstanding players this year were: Todd Sabine, O.J. Dutcher, Mike Crates, and Scott Blaising. But we will not forget the rest of the team who together kept Foothill known as a tough team!

Yancey — Varsity's Powerhouse

With six all league players, Foothill had an overall win, loss record of 14 and 10. Placing second in our league and going to the second round of C.I.F. playoffs, we had an exceptionally rewarding season. Our win, loss record however, did not depict **our outstanding Varsity team**. With several of our matches against top teams in the 3A and 4A divisions, we were rated in the top 10 teams in 3A C.I.F. all year long.

Your friends say they'll keep in touch but you know they won't. Your teachers say come back and see them and you know you won't. Maybe someday it won't matter. But right now it hurts a little. — Taylor Publishing Company

Class of '70

Tim,
I'm glad I met
ya this year. We're
real sweet. We had
a strange time in Mr. Bowers
class but that's alright. Hope
to see ya at the beach and
next year at school.
Love always
Neelra

Jim - I'm really glad
and you know you could
get to P.E. Do you want
a really nice guy - and
please stay with us. May
be next year we will win a few
more athletic team and our
games. Have a really fun summer
maybe we'll see ya sometime. I'll see ya
next year.
your friend,
Leri
